Nonstop Service to St. Petersburg - Clearwater, FL (Tampa Bay)

Gulfport-Biloxi International Airport (GPT) announced today that Vision Airlines will begin operating nonstop flights to St. Petersburg-Clearwater International Airport (PIE), "The Gateway to Tampa Bay", beginning January 8, 2010. Service will operate on Wednesday, Friday, and Sunday using a Boeing 737 aircraft. Air only seats are available at www.VisionAirlines.com or by calling the Vision Airlines reservation line at 1-877-FLY-A-JET (359-2538).

"We are extremely excited about this new nonstop service from one of our top inbound markets" said Richard Matheny, Chairman of Gulfport-Biloxi Regional Airport Authority. "We appreciate the continued growth and success of Vision Airlines at the Gulfport-Biloxi International Airport."

"We are pleased to offer the Tampa Bay area continued air service to Gulfport-Biloxi" said Jeff Clauss, Director of Air Service Development of St. Petersburg-Clearwater International Airport. "We have enjoyed a long partnership with Gulfport-Biloxi Int'l Airport and the Convention & Visitor's Bureau (CVB) in promoting the service we've had over the years between our destinations."

Vision Airlines will operate Wednesday, Friday, and Sunday. Departure/Arrival times are as follows:
