Agenda Date: 6/13/2023

Subject:

Memorandum of Agreement and Cost Sign-Off Document to reimburse U.S. Customs and Border Protection for costs of technology and equipment at St. Pete-Clearwater International Airport.

Recommended Action:

Approval of the Memorandum of Agreement (MOA) and Cost Sign-Off (CSO) Document to reimburse U.S. Customs and Border Protection (CBP) for the costs of technology and equipment necessary for the performance of Federal Inspections Services (FIS) at St. Pete-Clearwater International Airport (PIE).

- The first MOA and CSO were issued and signed in 2018. Now that it has been five years, it is time to execute a new MOA and CSO.
- The MOA and CSO outlines the first year of new equipment at the cost of \$245,506.50 and the estimated recurring costs for the next four years is \$19,710.00 annually. This will not impact the Fiscal Year (FY) 2023 Adopted Budget but are included in the FY24 Budget as a decision package.
- These documents are required for the CBP to continue to process international passengers at PIE utilizing the most modern technology.
- The CBP's Office of Information Technology provides the specifications for all equipment necessary to populate the FIS.

Authorize the Chairman to sign the MOA and the CSO and the Clerk of the Circuit Court to attest.

Strategic Plan:

Foster Continual Economic Growth and Vitality

4.4 Invest in infrastructure to meet current and future needs

Summary:

The MOA and the CSO Document outlines the agreement between Pinellas County and the CBP with regards to PIE's responsibility to reimburse CBP for costs to provide the technology and equipment required in FIS to process and clear international passengers.

The not-to-exceed costs to purchase and install the equipment is \$245,506.50. The recurring out-year network charges for a data circuit are estimated to remain at \$19,710.00 per year for four years.

Background Information:

The procurement of technology equipment for the Flight Inspection Service (FIS) was a necessary component required to complete the renovation of the FIS facility in 2018. The renovated FIS was needed to meet CBP's 2017 Airport Technical Design Standards that enables the CBP to process up to 300 inbound international passengers per hour.

In 2018, the Board of County Commissioners signed an MOA and CSO Document in the amount of \$496,613.00 and \$18,000.00 per year of recurring charges for the following four years. This was approved in Legistar #18-456A.

The MOA outlines the responsibilities of CBP and PIE for the various equipment. CBP is responsible for the purchase and installation of the Automated Data Processing (ADP) Local Area Network (LAN), Data, IT, Voice, and Tactical Communication (TacComm) Systems; PIE is responsible for reimbursement of those costs. These systems can only be installed by CBP.

Fiscal Impact:

PIE has included \$245,506.50 in its FY24 budget request (decision package) to cover technology and equipment costs that will be reimbursed to CBP.

The annual \$19,710.00 recurring maintenance cost to be billed by CBP and included in the Airport Operating and Revenue Fund's future budget for the next four years.

MEMORANDUM OF AGREEMENT TO REIMBURSE CBP**

This Memorandum of Agreement ("MOA") outlines the agreement between the below named Airport Authority/St. Pete-Clearwater International Airport (PIE) (Sponsor) and CBP in regards to the sponsor's responsibility to reimburse CBP for costs related to providing communications and information technology (IT) equipment and services required at the below named location. The legal authority for CBP to enter into and require such an agreement is found at 8 U.S.C. §§ 1223-1224, 1356(a); 19 U.S.C. §§ 1459, 1461, 1499, 1524, 1644a; 8 C.F.R. Part 234; 19 C.F.R. Part 122.

Airport Owner/Operator: **St. Pete-Clearwater International Airport (PIE), a department of Pinellas County, a political subdivision of the State of Florida**
Location: 14700 Terminal Blvd. Suite 221
Clearwater, FL 33762

ST. PETE-CLEARWATER INTERNATIONAL AIRPORT (PIE) RESPONSIBILITIES

Data and Cabling

PIE is responsible for the procurement and installation of all data cabling and electrical components required for connectivity of systems and equipment, according to CBP Office of Information Technology (OIT) provided specifications. PIE is required to provide a two week advanced notice of all cable pulls to allow CBP to observe installation.

Reimbursement of Equipment, Initial Service, and Recurring Costs

PIE agrees to reimburse CBP for all equipment and connectivity costs, including installation, maintenance, and recurring costs, at the St. Pete-Clearwater International Airport, 14700 Terminal Blvd, Clearwater, FL 33762. Current estimated equipment and initial service costs total \$245,506.50. The estimated annual recurring costs are \$19,710.00. CBP OIT's Cost Estimate titled "CWR002A-OFO-23045C" is attached.

PIE will be billed the actual costs for the equipment identified in CBP OIT's Cost Estimate CWR002A-OFO-23045C, along with any outstanding reimbursements due from any previously executed agreement(s). Recurring out-year network circuit charges, and the cost of any necessary replacement equipment not covered under warranty, will also be billed to PIE.

Equipment Upgrades

Upgrades to CBP required equipment and connectivity may be required on a schedule determined by CBP (approximately every 3-5 years, as needed). PIE is responsible for the cost of required upgrades. CBP will provide PIE a minimum of 180 days advance notice of any required upgrades.

Payment Process

A copy of this signed agreement will be forwarded to the CBP National Finance Center (NFC). Upon receipt and installation of all equipment, the NFC will issue PIE a bill for the actual equipment and initial services costs not to exceed \$245,506.50, as detailed in CBP OIT Cost Estimate CWR002A-OFO-23045C. The CBP NFC will bill PIE 90-days prior to the due date for recurring out-year network and connectivity charges owed, along with any sums owed for replacement equipment not covered by manufacturer warranties.

Pursuant to 19 C.F.R. § 24.3a, any amounts due CBP under the terms of this agreement that are more than 30 days past-due will begin accruing interest charges based on U.S. Treasury borrowing rates and may ultimately be referred for collection.

Equipment Connectivity and Maintenance

CBP OIT will be responsible for ordering and installing required circuit, data equipment, and connection(s) from St. Pete-Clearwater International Airport to the CBP National Data Center. CBP is also responsible for imaging, maintaining, and controlling all equipment listed in the attached CBP OIT Cost Estimate CWR002A-OFO-23045C. PIE will incur no CBP OIT charged service fees for any equipment maintenance/repair/replacement covered by CBP procured equipment warranties.

Data Ownership

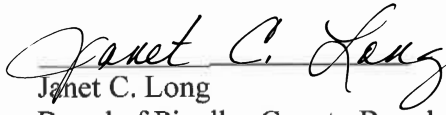

All data entered and/or stored in any manner on the equipment covered by this MOA shall belong to the United States and is confidential and protected information. It is CBP's responsibility to properly remove data before possession of any equipment is transferred to PIE. In the event data inadvertently remains on any equipment after transfer, PIE shall keep the information confidential and immediately notify CBP so that CBP can remove the data.

AUTHORIZATION

Authorized Representative

The signatory to this MOA represents and warrants that he or she is a duly authorized representative of PIE, with full power and authority to enter into this MOA and to bind PIE with regard to all matters relating to this agreement.

Agreement to these terms is attested by the signatures below.
