St. Petersburg-Clearwater International Airport announces new service from Sunwing Airlines

~ Round-trip fares to begin at \$99 to Canada this winter ~

(ST.PETERSBURG-CLEARWATER –August 25, 2006) –St. Petersburg-Clearwater International Airport is pleased to announce that starting this winter Sunwing Airlines will be offering flights to Toronto, Canada.

“This new service is very exciting as we have many Canadians that spend their winters in the St. Petersburg/Clearwater and Tampa Bay Area. We expect these new flights will give Canadian travelers more choice and flexibility for planning their vacations to our award winning destination,” said Airport Director, Noah Lagos.

Flights from St. Petersburg will begin December 15th, 2006, and will be offered twice a week. “St. Petersburg is one of the favorite holiday destinations for Canadians and at the prices we are offering, we expect it will be even more popular this season,” said Stephen Hunter, Chief Operating Officer for the Sunwing Travel Group.

Round-trip air prices will begin at \$99 CDN from Toronto. All passengers on Sunwing Airlines receive Sunwing’s Elite VIP service which means that features that are typically considered ‘extras’ such as hot towel service, meals, headsets, and first-run movies, are all standard features on every flight. “This service aims to make customers start their vacation the moment they sit down in their seats,” said Hunter. Features such as advanced seat selection and extra leg room are also available for an additional \$25 each way per customer. All planes are what the aviation industry refers to as a “Next-Generation” Boeing 737-800 aircraft, which is one of the safest, most fuel-efficient aircraft flying today.

Sunwing will also be offering vacation packages including air fare, hotel accommodation and a mid-size car which will start at \$299 CDN. Travelers will be able to choose from 3, 4, 7, 10 or 14 night packages.

Sunwing Airlines provides affordable, direct-to-destination flights from various Canadian cities. The airline also provides flights for Sunwing Vacations’ all-inclusive holiday packages to Cuba, Mexico, Costa Rica, Dominican Republic, Panama and Jamaica. For the last two years in a row, Sunwing has been listed by Profit Magazine as one of the Fastest Growing Companies in Canada. For more information visit www.flysunwing.com
