## St. Pete-Clearwater International (PIE) Reopens Ground Transportation Lot

PIE's Ground Transportation Lot reopens today after a temporarily closure as part of the ongoing Airport Parking and Roadway Project. Airport ground transportation providers (taxis, hotel shuttles) will again pick-up passengers in the Ground Transportation Lot. **The Airport Shuttle to PIE's Economy Parking Lots will continue to pick up and drop off in front of the Terminal. Two shuttle stops are available – In front of Ticketing A and outside of Bag Claim.**

Visitors to PIE are encouraged to plan extra travel time to accommodate construction in and around the airport. Passengers departing from PIE are advised that we have limited parking options and are encouraged to arrange transportation to/from the airport.
